

A Child-Free Flight? - Part 2

Time	Subtitle
	I don't agree with you. I have another ideas for this one. We run in the opposite direction.
0s	I actually, okay, so I was opposite of you. <small>feel like doing = want to do = wanna do</small>
2s	I felt like thinking of parents, I felt terrible asking for
6s	a flight where that they couldn't get on , you know what I mean? <small>Let's get on that board. get on = get in get off/out</small>
9s	Because that now leaves limited flights to where the parents can get on .
13s	But at the same time , with you saying that, the peace that I know that my <small>checkout/stop/complete/drink at the same time</small>
17s	sister, who is a mom, <small>know about</small> would feel knowing this is a family flight. <small>So how does it feel knowing you earned huge money ?</small>
20s	>> Friendly, yeah,
21s	it's a family friendly flight. >> This is a family flight,
23s	this is a flight where people expect , okay if the kid's crying, <small>I expect too much of him. I expect you're ready for a drink</small>
25s	you kid might be crying too.
26s	<u>And your kid back there might,</u>  <small>might be crying too</small>
27s	we all in this together. >> [LAUGH]
29s	>> We all go crying kids?
30s	>> [APPLAUSE]
30s	>> Okay, I feel, so <small>opinion/view/idea/thinking</small>
31s	you just changed my perspective .
33s	Cuz I was like that seems wrong because
36s	I would feel terrible if I was looking online. <small>order/request</small>
38s	A lot of people book their flights online.
40s	If I was look at that was a kid only, and <small>period / time interval</small>
42s	that's the time slot I need. >> Right.
44s	>> You know?
45s	>> I will say this, too. <small>staying on a flight / token on a flight</small>
45s	I remember being on a flight and Aiden was being a normal two year old,
49s	not going too crazy.
51s	And there was an older couple behind me, and
54s	they saw that I was slightly freaking out .
57s	Cuz again, it's uncomfortable.
59s	They're uncomfortable, but the mom is also uncomfortable.
1:01	>> Embarrassing? <small>unpleasant</small>
1:01	>> Yes, and embarrassed . <small>Are you mad because I embarrassed you ? embarrass oneself</small>

1:03 And the guy he just **looked at** Adam and I, he said **you know what?**

1:06 **I just wanna** let you guys know,

1:08 you're doing a good job.

1:09 >> Wow. >> [APPLAUSE]

1:10 >> You're doing a good job.

1:11 >> I love that, we should **encourage**

1:12 more of that. >> Yeah. They often encourage the students with prizes encourage more of that .

1:12 >> More of that.

1:13 >> I mean I think **I said this before**,

1:15 I was **on a flight** to South Africa from Atlanta and

1:17 that's 14 hours. >> Whoo! child

1:19 >> And there was a **toddler** on, she two,

1:21 three years old. >> Yeah.

1:22 >> And she wasn't **listening to**

1:23 nobody. >> Yeah.

1:24 >> And you know Auntie Lonnie kicked

1:26 in. >> [LAUGH]

1:27 >> And I was stuck with her for

1:29 eight hours.

1:29 But she was quiet.

1:30 She sat next to me.

1:32 And then when I kept trying to give her back she [SOUND] I was like, okay,

1:36 well then this what we gonna happen. >> Yeah.

1:39 >> I think,

1:39 one, that there are options that the airline can do.

1:42 Maybe they can have flights for.

1:45 Look at the age of the children.

1:48 Maybe three and under.

1:50 You have more flights, but especially during the holidays, but maybe have some

1:55 flights that maybe if you're three and under, maybe you don't wanna fly with me.

2:00 Because the thing is it's hard to say discipline a child cuz are not,

2:03 people have different ways of disciplining.

2:05 Child free flights.

2:07 I just don't.

2:08 I could just see the airlines trying to

2:09 profit off of it. >> Yeah.

2:10 >> And it's just like gonna be too much

2:12 money and everything.
2:13 So- >> And it's not fair to make people
2:14 without kids, >> Right.
2:15 >> Having to pay
2:16 more. >> Exactly.
2:17 >> In order to just get from a to b.
2:18 But I do believe that We live in a society which means
community.
2:22 We all are responsible for one another. >> [APPLAUSE]
2:26 >> Exactly.
2:26 >> Exactly.
2:27 >> So, we people who don't have kids or
2:28 aren't traveling with kids to be more understanding,
always look at there
2:32 could be some issue with the person. >> Right.
2:33 >> Offer for a \$70 flight.
2:34 >> Well I would've been talking,
2:36 I would've got up and, what's wrong?
2:38 Let's talk. >> Yeah, yeah right.
2:39 >> Just try to calm them down.
2:40 >> And I think the airline should also
2:42 offer some help.
2:42 Maybe offer free wi-fi to the parents so that the kids can
play.
2:45 >> I will tell you this y'all.
2:47 >> Southwest is amazing.
2:49 They gave Adam and I, they saw that we had two kids.
2:51 They were like, here,
2:52 a free glass of wine for you. >> See!
2:54 [CROSSTALK] >> They already know that we
2:54 were, you know what I mean? >> [LAUGH]
[APPLAUSE]
2:55 >> [CROSSTALK]
2:55 >> But they need to give it to the
2:57 customers that's listening to the kids. >> [LAUGH]
2:59 >> Cuz that's what I do.
3:00 >> [APPLAUSE]
3:01 >> I was like give me some
3:02 free alcohol! [CROSSTALK]
3:02 >> I have a question, though.
3:03 As loud as the kid was crying,

- 3:05 does it work with headphones? >> Not if he's running up and down.
- 3:07 First of all, it's a safety issue.
- 3:09 To all the parents out there, I understand, it's a kid, whatever.
- 3:12 But it's a safety issue.
- 3:13 That's still a moving vehicle.
- 3:14 Anything could happen on a plane.
- 3:16 So you do want to be able- >> Yes.
- 3:17 >> To control the child but we gotta go,
- 3:19 but yeah definitely. >> Yes,
- 3:20 yes I will stay in my seats if you offer me a free shot.
